Dear Licensee,

The LSBEP officers and administration recognize the rapid changes occurring in your lives and practices. Therefore, this agency will continue sending weekly updates every Wednesday for the duration of the COVID19 emergency. This update is the eighth in this "Weekly Wednesday" series, refer to the LSBEP website www.lsbep.org for archived weekly updates, links to referenced information, and other communication from the board. Additionally, please note that we are aware that due to rapid changes in information and interpretation of various directives from state and local officials, information may vary over time. Please ensure you are referencing the most updated information when making decisions about your practice.

As previously noted, should news impacting your practice require more immediate attention, additional updates may be necessary. Koren Boggs, Ph.D., Chair; Amy Henke, Psy.D., Vice Chair; and Jaime Monic, Executive Director have been meeting daily via telephone or Zoom to discuss developments in regulation and resources you need to remain compliant in your practice while putting the health and welfare of your patients first. Our goal is to keep you informed, but not overwhelm your email!

For our eighth Weekly Wednesday Update, we would like to advise you of the following:

1) **The Office of the Governor** – The Governor’s Office has published information related to moving to Phase I: https://gov.louisiana.gov/index.cfm/newsroom/detail/2488. This article includes a link to resources developed by state government to provide guidance to individuals in reopening their business (https://opensafely.la.gov/). As noted in the article, Governor Edwards will issue an updated proclamation pertaining to Phase I on Thursday, May 14, 2020.

2) **LOUISIANA DEPARTMENT OF HEALTH (LDH) RESOURCES** – The LDH website http://ldh.la.gov/index.cfm/page/1198/n/311 contains resources to the application of telehealth and in person practice in a variety of settings. We have identified the following Bulletins as being applicable to the practice of psychology:
   b) Informational Bulletin 20-5: COVID-19 Provider Update (Revised May 12, 2020)
   c) Informational Bulletin 20-6: COVID-19 – LMHP Telemedicine/Telehealth (Revised April 9, 2020)
These bulletins are updated frequently therefore, you are encouraged to visit this site regularly to keep pace with any changes that affect your practice.

LSBEP again thanks Louisiana Psychologists for stepping up to the challenges in applying technology to deliver psychological services to their patients and clients safely, while respecting the health and well-being of their patients/clients, the people with whom they work, themselves, as well as the individuals who have no other choice but to be exposed to COVID19. Our Ethical Standards are established for the welfare and protection of the individuals and groups with whom psychologists work. Therefore, our charge is to think of others before ourselves and to consider all risks when determining how to provide vital care to our clients and patients. Emergency Orders and Proclamations from Federal, State and Local Governments impose stricter but necessary restrictions and guidelines impacting the delivery of psychological services for the time being. History will remember our actions or inactions at this time. Let us remember why we all chose this profession and be on the side of history that aligns with the health and well-being of all people.

Sincerely,

**LSBEP Executive Committee**

Koren Boggs, Ph.D., Chair
Amy Henke, Psy.D., Vice Chair
Jaime T. Monic, Executive Director
